What makes us different?

Our Unwavering Commitment to
Personalised Learning Experiences

We prioritise individualised attention, tailoring our courses to meet the unique needs and goals of each learner. Our dynamic and engaging curriculum is meticulously curated by industry experts, ensuring staying ahead of emerging trends.

We embrace innovative teaching methodologies, integrating interactive elements and applications to foster a deeper understanding and retention of knowledge. With a relentless pursuit of excellence and a focus on fostering knowledge and skills, we empower our learners not just to succeed in their chosen fields but to thrive in a rapidly evolving world.

Competitive Advantage

E-learning is no longer on its way to becoming the next big thing. It is the Big Thing Now! Around 45% of Fortune 500 companies already train their employees online. The reason is simple: the ROI in online corporate training is very high, contributing to increased business profitability.

Reporting & Analytics

Our platform seamlessly integrates analytics tools, ensuring that businesses gain actionable insights from their data. We recognise the importance of tracking and measuring progress, so our platform provides comprehensive insights into each learner's performance. Through reporting tools, businesses can monitor progress, identify strengths, and address areas for employee improvement.

Janets Learning Platform

We have it all! Our vast course library has any course your business and workforce needs. Plus, all our courses come with industry-recognised certifications, providing learners with credentials to showcase their expertise.

We believe a company or an organisation is only as good as its people. Investing in professional growth is a strategic imperative nowadays, and accessing professional training has never been easier due to our:

-  Affordable pricing
-  User-friendly dashboard
-  Engaging and effective training
-  24/7 customer support

And the best part? Our course library is continuously expanding thanks to our rigorous production schedule. So you can rest assured that you'll always find the latest and most relevant training to propel your team and organisation forward.

Janets Business LMS

Janet's Business LMS is a cutting-edge learning management system designed to empower organisations with seamless training solutions.

This robust platform combines a user-friendly interface with advanced features, facilitating efficient employee development. The platform's analytics provide valuable insights on progress tracking and reporting, which fosters a culture of continuous improvement, driving efficiency and innovation.

With responsive design and device compatibility, users can access learning resources anytime, anywhere. Elevate your workforce's skills and productivity with Janet's Business LMS – a smart choice for comprehensive, intuitive, and impactful corporate training.

Accredited Courses and Certifications

Continuing Professional Development (CPD)

CPD is a structured and proactive approach to learning and development for professionals to enhance their skills and knowledge throughout their careers. CPD ensures that individuals stay competent and up-to-date in their field, contributing to personal and professional growth.

Our courses accredited by CPD provide learners with valuable skills and knowledge, enhancing their professional competence and facilitating continuous growth in their respective fields.

Quality Licence Scheme

The Quality Licence Scheme is a framework that assesses and recognises the quality and standard of various learning and training programs. This accreditation ensures that our courses adhere to rigorous quality benchmarks, providing learners with a recognised and credible qualification.

Focus Awards

As an accredited course provider with Focus Awards, we are committed to delivering courses that align with industry needs and standards. Focus Awards accreditation reflects our dedication to providing learners with relevant skills recognised and valued within their sectors.

It signifies a collaborative effort to bridge the gap between education and industry requirements, ensuring our courses contribute to the professional success of our learners.

Ofqual

Ofqual is the regulator of qualifications, exams, and assessments in England. Ofqual accreditation lends credibility to educational programs, assuring that the courses meet international standards and are rigorously assessed. Ofqual accreditation is a mark of regulatory approval, signifying that our courses meet the strict criteria set by the Office of Qualifications and Examinations Regulation.

This accreditation ensures that our qualifications are valid, reliable, and comparable, providing learners with confidence in the quality and recognition of their acquired skills. Ofqual endorsement strengthens the credibility of our courses, assuring learners that they are investing in education that meets international standards.

CPD Quality Standards

CPD Quality Standards set the criteria for effective continuing professional development, ensuring that learning activities are relevant, impactful, and contribute to professional competence. Our courses undergo rigorous evaluation with CPD QS, guaranteeing the relevance of courses, effectiveness, and adherence to best practices.

The CPD Quality Standards accreditation reflects quality education that enhances knowledge and skills that contribute meaningfully to the professional journey.

The CPD Group

Affiliation with the CPD Group highlights our participation in a community committed to promoting and supporting continuous professional development. Being part of the CPD Group signifies our commitment to staying informed about evolving educational practices, fostering networking opportunities, and contributing to the advancement of education and training.

This affiliation reassures the continuous development of a workforce through our courses.
